

Appointment Agreement with Gregory Pease, DDS, P.C.

Our practice makes every effort to value your time.

We are committed to your oral health and you keeping your scheduled appointments allows us to be partners in your optimum dental well-being.

If you have a conflict with your scheduled appointment time, we truly appreciate the courtesy of 48 hours notice. We will not charge you for the first broken/missed/cancelled appointment. However, after two broken appointments in 12 months, you will be asked to make a deposit of your appointment value to us in order to schedule another appointment. When you keep your appointment the deposit will be applied towards your dental care. If you miss your appointment, the deposit will be forfeited.

It is our practice's philosophy to continue to provide outstanding dental treatment by putting our patients first. We thank you for allowing us to share our Appointment Agreement with you and your family.
