

Financial Agreement

Thank you for selecting our dental office. Our goal is to provide the best dental care possible.

Insurance

If you have dental insurance we will assist you in filing your dental insurance claim. However, you must realize your insurance is a contract between you, your employer and your insurance company. Dr. Pease is not a party to that contract. If your insurance does not pay within ninety days, we will require you to pay your bill in full and wait for reimbursement from your insurance company.

I understand and agree, regardless of my insurance status, I am ultimately responsible for the balance on my account for any professional services rendered.

In the case of minor children, we do not get involved in the financial arrangements of the divorce settlement. The parent presenting the child will be held responsible for all charges.

I authorize the release of all dental information necessary to process my claims and I authorize the release of this same information, when necessary, to other providers rendering dental care. I assign all dental benefits to Dr. Gregory Pease.

Payments and Financial Policy

We accept cash, checks, all major credit cards as well as Care Credit Financing. I accept full responsibility for all charges for dental services provided. I understand that filing a claim with my insurance company does not relieve me from my responsibility for the payment of all charges.

In the event my account goes unpaid I consent to have a credit report inquiry by Dr. Gregory Pease D.D.S., PC. I also understand that there will be finance charges of 1.5% after ninety days. I understand I will be held responsible for the cost of collecting my unpaid account, including, but not limited to, court costs, attorney fees, and collection fees.

Appointments

We ask all patients to give us a forty eight hour notice for a cancelled appointment. If we have not received sufficient notice, a charge may be applied to your account of \$50.00.
